Greetings I'm very close to the end of my process to receive my decal. I spoke with the inspector I'm missing 2 things which I'm currently working on. Due to the holidays, and having death in my immediate family. I'm requesting can the public service commission to please grant a 2 weeks extension so I can ensure everything is covered and for my vehicle to pass inspections, Again thank you in advance. My extension is due to end December 31st, 2021. I thank you for your attention to this matter. Happy Holidays to you and your family.

Respectfully,

Ms. Ronice Lampkin, RN, Owner/Operator
